

# AIRLIGHT PROTECTIVE FACE SHIELD

Adjustable, reusable headband, with a disposable full-face shield that weighs under 2oz, follows FDA guidelines\* for sizing and material that ensure facial protection from spray and splatter. The comfortable, reusable headband is made from polypropylene with an antimicrobial to enhance the longevity of optional reuse. The 2oz Airlight face shield is the ideal solution for everyday citizens, grocers, bank staff, general business staff, healthcare, and first responders.

## CONSTRUCTION

PART	MATERIAL
CLEAR SHIELD	REMOVABLE VENTED PET SHIELD
FRAME	POLYPROPYLENE W/ ANTIMICROBIAL ADDITIVE
HEADBAND	LATEX-FREE RUBBER BAND

## KEY FEATURES

- Constructed from PPE with an antimicrobial additive for enhanced protection.
- Made from PET, which provides clarity and chemical resistance.
- Ensures full facial protection from spray and splatter.
- Option to purchase replacement face shields and reuse headband (environmentally friendly).
